Subject: Watson Valve Building Property Payment

The email message below is from Mike Dodson –

United Fire is ready to make payment on the Watson Valve building in the amount of \$1,300,000.00. The loss payees are listed as Texas Capital Bank NA and 4512 Steffani LN. Please advise us as to who represents 4512 Steffani LN.

We would appreciate all interested parties working together to obtain an agreed order from the bankruptcy court directing how the insurance check should be made payable. Once we have the agreed order in hand, United Fire will issue the check in accordance therewith.

They are currently working on the Watson Grinding Buildings, and I will be contacting you with regard to those payments.

If there should be any questions about the foregoing, please advise me.
